Durham Lakes Country Club was voted one of Georgia's Top 100 Must Play Courses by Golf Styles Magazine of Atlanta. The golf course, designed by highly regarded architect Scott Pool, features Tifway 419 Bermuda grass tees and fairways with expertly manicured L-93 Bent grass putting greens. Mr. Pool's vision takes full advantage of the scenic landscape, replete with lakes, streams, and wetlands. Many of the holes are framed by Tall Fescue grass, natural hardwood trees and southern pines. The layout also features four sets of tees to match any player's experience and skill level. The back tees boast total yardage of nearly 7,100 yards and presents a challenging test of golf for even the best golfer.

Join us in celebrating our Charity Golf Tournament!

Students Without Mothers a tax exempt, non-profit organization provides financial assistance to students who have experienced life changing events.

Founded by **Mary Torrence** in 2004, Students Without Mothers has provided 45 students with four year scholarships in the amount of \$4,000 each. There are currently more than 30 active students in the program who continue to receive annual scholarship disbursements and other resource assistance.

The **SWM** scholarship program is designed to be life-sustaining and provide an opportunity for students to “pay it forward”. Students who benefit from the program are asked to help other students in a way they were once helped, once they are in a position to do so. This help may be provided in many forms including peer counseling financial support, internships or other ways.
